

August 17, 2021

Hello Woodlands Families,

We are ready! We are excited about starting this new school year off. We have worked diligently to make sure we are completely ready for our wonderful students, staff and families!

Today we are having our **Back to School Information Days** at each campus. Please stop by today between 8am-3pm to return any documents for student registration, pay student fees, get carpool numbers, learn their student's classroom teachers and meet the principal. We also will be enrolling students onsite on these days so please bring any friends or family that wish to enroll their students at Woodlands for the 2021-22 school year.

Staffing

We are pleased to announce that we have secured/hired teachers for every classroom at both campuses! We are currently looking to fill an art teacher position at Bluemound and a few TA positions at both campuses.

We have two dynamic Spanish teachers that will be working together with a partner from CESA #2 to design the student learning experiences in our Spanish World Language classrooms at both campuses. Two of the areas of focus are cultural experiences and language acquisition. This will be great for our students!

Return to School/Woodlands COVID-19 Protocols

Woodlands is returning to school on August 31, 2021 with full, in-person learning. There will not be a virtual option this year. (The exception may be if schools are closed to inclement weather.) Masks fully worn over the nose and mouth will be expected while in the buildings. Masks are optional outside. We will be physically distancing at least three feet. We encourage all families and students, who are eligible, to get vaccinated if possible, as an additional layer of precaution.

The Woodlands Return to School Committee met on Tuesday, August 10th at 6pm to discuss the COVID-19 protocols the Woodlands administration team have developed based on the guidance from the CDC, U.S. Department of Education and the Milwaukee Health Department. [Here](#) is a draft of those protocols for your review.

Enrollment Open for New Students

Woodlands is still enrolling students for the 2021-22 school year. We have open seats at just about every grade level at both campuses. Please help us reach our enrollment goals by encouraging friends and family to enroll their K4-8th grade students at Woodlands. We know that Woodlands has an awesome community that

Bluemound Campus | State Street Campus

provides top-notch learning experiences for students and great community support for families. Please have interested families reach out to your school office for more information.

Thank you for choosing Woodlands for your students. You are an important part of our community!

Sincerely,

Vickie Brown-Gurley
Executive Director
