Hello Woodlands Families,

We heard the concerns that you have raised regarding the new Extension procedures and pricing. Please know our goal was to provide an optimal environment to keep our students and staff safe. We have some changes that I would like to share with you at this time.

- Families can pre-select the days for their student(s) to participate in Extension.
- Families can pre-select the days for their student(s) to participate in Extension by the month or by the week.
- Families can pre-pay for their selected days by the month or by the week.

It is important for our COVID-19 Protocols that we are able to effectively contact trace if someone becomes ill. Therefore, it is imperative that families **pre-select** and **pre-pay** for the dates that their students participate in Extension. We apologize for any inconvenience that this may cause.

The **costs** for Extension are as follows:

AM Only Extension \$6/day (\$3/day for free/reduced lunch)
PM Only Extension \$10/day (\$5/day for free/reduced lunch)
AM & PM Extension \$16/day (\$8/day for free/reduced lunch)

The **times** for Extension are as follows:

AM Extension 7:00-8:00am
PM Extension 3:30-6:00pm

Later this week we will send out a document that you will need to utilize to select the days your student will participate in Extension along with direction on how to submit the information.

Thank you so much for your feedback and allowing us to make the adjustments necessary to accommodate your needs!

Sincerely,

Vickie Brown-Gurley
